October 12 -14

Luxury Coach leaves from The Center in the morning

The Breakers & Rosecliff

Visit the stunning Rosecliff Mansion (left) when we arrive. It was commissioned by Nevada silver heiress Theresa Fair Oelrichs.

Check into the hotel that afternoon. The beautiful accommodations of the Newport Harbor Hotel are surrounded by yachts and cobblestone streets. In the evening enjoy an included group dinner.

On Day 2 take a driving tour of some of the most spectacular scenery on the East Coast along Newport's Ocean Drive with all its magnificence. Visit the most famous of the Newport Mansions, the Breakers (left). It is the grandest of Newport's "summer cottages". It is a symbol of the Vanderbilt family's social and financial prominence.

Then onto our very special 3 hour cruise on the Millennium.

A one of a kind cruise that you will remember forever!

The Millennium is the largest most luxurious sightseeing catamaran in all of New England. The captain will give you a 3 hour narrated cruise that will showcase 10

Rhode Island lighthouses along with a complete Newport Harbor tour and many more of the state's icons including the breathtaking Jamestown and Newport bridges.

A boxed lunch will be provided.

This is really a 'CAN'T MISS!' opportunity

World Famous Mystic Seaport

Our last day takes us to Mystic, CT to learn about the region's seafaring history at the Mystic Seaport's Museum of America and the Sea. It is a living history museum consisting of an entire 19th century seafaring village: four National Historic Landmark Vessels and a working preservation shipyard. There is time for lunch on your own before we return to Vermont—in time for dinner.
